IEDC

CENTRE FOR INNOVATION, CREATIVITY AND ENTREPRENEURSHIP

AIC RAISE IEDC Centre focuses on igniting innovation, creativity and entrepreneurship spirit among students to evolve viable products and solutions addressing various problem statements of the society and to build global level startups from our Nation.

What is AIC RAISE IEDC Program?

AIC RAISE Innovation and Entrepreneurship Development Centre (AIC RAISE IEDC) is the programme launched by National Science and Technology Entrepreneurship Development Board (NSTEDB), Department of Science & Technology (DST), Government of India. AIC RAISE IEDC will aim to inculcate the spirit of innovation and entrepreneurship amongst the young S&T students, encourage and support start-up creation through guidance, mentorship and support.

Key Objectives of the Program:

- To identify and spur innovation mindset among students
- To provide a platform for students to develop their innovative ideas into products & solutions
- To provide support for the implementation of evolved products & solutions
- To support creating young entrepreneurs and startups across various disciplines

What students will get from AIC RAISE IEDC Centre?

- In-depth exposure towards Innovation, Creativity, and Entrepreneurship
- Zero fee trainings on Brainstorming, Brainwriting, Design Thinking
- Support for Product Development through hands-on workshops and hackathons
- Implementation of products and solutions
- Participation in related capacity building programs
- Connect with sector-specific Mentors and Industrial Experts

What is the process of selection and the time line for NewGen IEDC?

For setting up AIC RAISE IEDC, proposals are invited from eligible institutions. A Sub-committee is constituted to critically examine and evaluate the proposals on various parameters namely; completeness of the proposal, innovation content, overall methodology and quality of student projects. Short listed institutions are invited for the final presentation before the National Expert Advisory Committee (NEAC) constituted by DST who in turn, recommends the eligible institutions. List of selected institutions is displayed on www.aicraise.com/iedc . The entire process takes about 4-6 months.
